

## **Section II**

# **Global Efforts to Reduce Food Loss and Food Waste**

Dr. SCHNEIDER Felicitas

Thünen Institute of Market Analysis, Braunschweig, Germany

### **Summary**

This presentation will introduce global initiatives related to the measurement and implementation of reduction measures of Food Loss and Waste by examples from United Nations organisations like Food and Agriculture Organisation (FAO) or United Nations Environmental Program, coalitions like the Champions 12.3, International standard organization (ISO) or initiatives like the Collaboration Initiative Food Loss and Waste launched at Meeting of Agricultural Chief Scientists of G20 countries.
